

Tampere, February 4th, 2015

On behalf of the NSGO Board I have the pleasure to invite young researchers to send Abstracts* for a Poster Session at the Annual NSGO Meeting in Copenhagen, May 7th – 8th, 2015.

The Poster Session is open for all researchers, and especially Ph. D. students, in the field of Gynecological Oncology in the Nordic Countries. The Posters will be evaluated by the NSGO Board, and the Best Poster will be awarded with a Free Admission to the Annual NSGO Meeting in 2016.

Looking forward to seeing you in Copenhagen, please mail your abstract no later than March 15th 2015 to: johanna.maenpaa@staff.uta.fi

All presenters will be given instructions as to the size and format of the Posters by the end of March.

All submitted abstracts will be published as part of the meeting program.

NSGO will unfortunately not be able to reimburse Congress Fee or travel expenses for the presenters of the posters.

* *Abstract* – a structured abstract of no more than 300 words to be subdivided into the following sequential sections: Objective, Design, Setting, Population or Sample, Methods, Main outcome measures, Results, Conclusions.

With best regards,

Johanna Mäenpää, Professor, MD, PhD
President-Elect of NSGO
Department of Obstetrics and Gynecology
University and University Hospital of Tampere, Finland
