

## **POSTER SESSION AT NSGO ANNUAL MEETING BERGEN APRIL 7<sup>th</sup>-8<sup>th</sup>, 2016**

The annual meeting of NSGO is an excellent forum for presenting scientific work and networking with the Nordic colleagues. The NSGO board values the input of Poster presenters, and has decided to make Poster session a permanent feature of NSGO Annual meetings.

The Poster session is open to all researchers, and especially PhD students, in the Field of Gynecologic Oncology in the Nordic countries. The Posters will be viewed during the breaks, and abstracts of all Posters will be published as part of the meeting program. The Posters are evaluated by the NSGO Board, and the best Poster will be awarded with a free Admission to the Annual meeting 2017.

**The abstracts should be send by March 18<sup>th</sup> to:** [annika.auranen@utu.fi](mailto:annika.auranen@utu.fi). The abstracts should be structured to include sections: Introduction, Material and Methods, Results and Conclusion, and not exceed 300 words.

**The Poster format** is preferably portrait style, measuring approximately 90 cm in width and 120 cm in tallness (in like with the most common poster format in conferences).

Please use this opportunity to make your research visible and maybe also benefit from discussing it with your Nordic colleagues!

Looking forward to seeing you in Bergen

Annika Auranen  
President-Elect of NSGO  
Department of Obstetrics and Gynecology  
Tampere University Hospital, Finland
