

NSGO course for younger gynecological surgeons.

Application for robot assisted surgery in gynecological oncology

October 2-3 2019

Department of Obstetrics and Gynecology, Skåne University Hospital Lund, Sweden.

Meeting Point: Lobby of dep of OB&G at 0745 sharp !

Contact: Jan Persson +46733522080, jan.persson@med.lu.se

Date /time	Venue		
Wednesday 191002			
0745-0800	Lobby OB&G	Changing to OR access	
0800-0820	Study room 3rd floor	Introduction OR efficiency / ambulant surgery. Planning and requirements.	Dr Jan Persson
0820-0900		Surgical anatomy and basic surgical technique	Dr Jan Persson
0900-0915		The Querleu Morrow classification of cancer hysterectomies	Dr Celine Lönnerfors
0915-0945		Paraaortic LND. Port placement and docking with Si and xi systems	Dr Celine Lönnerfors
		Paraaortic LND surgical technique. Video	Dr Jan Persson
0945-1230 appr	<i>OR 8 Live surgery Central op unit</i>	High risk endometrial cancer with pelvic and paraaortic LND Xi system	Dr Jan Persson Dr Petur Reynisson Dr Celine Lönnerfors
1230-1345	Study room 3rd floor	LUNCH	
1345-1445	<i>OR 1 Live surgery Gyn op unit</i>	Endometrial cancer with SLN detection Si System	Dr Petur Reynisson Dr Celine Lönnerfors/ Dr Jan Persson

1445-1515	Study room 3rd floor	Sentinel node detection in Endometrial cancer	Dr Jan Persson Dr Michele Bollino
1515-1530		Coffee	
1530-1630	Study room 3rd floor	Coffee Complications in robotic surgery Presentations and videos	Dr Celine Lönnerfors Dr Jan Persson
1900-	Ristorante Gattostretto	Dinner	
Thursday 191003			
0800-0900	Study room 3rd floor	Robotic surgery for cervical cancer economy/ results Swedish national results	Dr Jan Persson Dr Linnea Ekdahl
0900-1130	<i>OR 1 Live surgery Gyn operation unit</i>	Robotic radical hysterectomy with SLN detection, Si-system	Dr Jan Persson Dr Celine Lönnerfors/ Dr Petur Reynisson
1130-1300	Study room 3rd floor	LUNCH	
1300-1400	Study room 3rd floor	Robotic radical trachelectomy Video/technique/ results	Dr Jan Persson
1400-1500 appr	Study room 3rd floor	Coffee The morbidly obese patient" Tips and Tricks	Dr Barbara Geppert Dr Jan Persson
1500	Study room 3rd floor	Course evaluation Feed back	All lecturers
